Kyocera Fineceramics GmbH Fritz-Mueller-Str.27 D-73730 Esslingen

TRI-KA

**TriEnergy GmbH / TRITEC Logistics
Boschstraße 2/4**

71287 Weissach

Manufacturer : TriEnergy GmbH / TRITEC Logistics
Boschstr. 2/4
71287 Weissach

Product : TRI-KA I-V curve measurement device

TRI-KA measurement

KYOCERA Fineceramics GmbH herewith confirms that measurements done with the TRI-KA measurement device are officially acknowledged for the evaluation of solar modules.

When doing a TRI-KA measurement it is essential to always make sure that during measuring the irradiation and the module temperature are recorded flawlessly so that the forecasting of STC values can be done error-free.

Best regards

Kyocera Fineceramics GmbH
